

# MassBioEd's 20th Anniversary Celebration Honoring Champions for Biotechnology Education

October 26th, 2021 | 5:30 PM – 8:00 PM

The UMass Club | In-Person and Live Stream

## Event Overview

The Champions Reception honors a school, teacher, company, and student for their academic excellence in life sciences education. 2021 marks the 20th anniversary of MassBioEd. This year's celebration will highlight the evolution and impact of MassBioEd's programs over 20 years, looking to the next 20 years of continued success in opening career doors to underserved students and building a strong and diverse workforce.
