

# 2022 Champions for Biotechnology Education

7<sup>TH</sup> Annual Awards Reception  
Museum of Science | Oct. 27, 2022 | 6:00 - 9:00 PM

As MassBioEd's largest fundraiser, all proceeds directly support advancing authentic science and career exploration for students in high need school districts and training individuals for life sciences careers. Your support is invaluable to the success and growth of our education and workforce development programs that are provided at no cost to students, teachers, and schools.

The evening of networking and celebration brings together 200 industry professionals. A company, teacher, and student are awarded for their efforts in advancing science education.
