

2024 SPONSORSHIP PROSPECTUS

Empower future leaders of the industry and support science education and workforce development programs.

Sponsorship 2024 | Benefits

Our mission is to build a sustainable life sciences workforce in the region through educational programs that engage and excite teachers, inspire and propel students, and illuminate the pathway from the classroom to career with a focus on expansion, opportunity and diversity.

Sponsorship supports MassBioEd programs that provide critical training and career awareness to underserved students and adults, opening doors to sustainable careers in the industry. Join us as a sponsor, engage your employees, and increase your visibility in the community.

All Sponsorship opportunities include the following benefits:

- Logo on MassBioEd website
- Recognition in MassBioEd Annual Report
- Logo on general social media content
- Logo on general event signage and print materials
- Acknowledgment in press releases and/or blogs

Explore custom packages to sponsor across multiple events and programs. To learn more, contact development@massbioed.org.

Sponsorship | Opportunities

Sponsorship	Date	Description
Massachusetts Life Sciences Employment Outlook Report	May	The annual Outlook Report is a vital source of real-time data, analyzing employment trends in the life sciences. It is used by industry, education, and government to understand workforce needs.
Massachusetts Life Sciences Workforce Conference	June	The annual conference brings together 400+ representatives from industry, higher education, workforce training, and government to learn the latest best practices in talent development and join the Industry-Educator Advisory session.
Student STEM Summer Internship	July	In partnership with LEAH Knox Scholars, MassBioEd immerses high school students in a 5-week project-based research experience supplemented by career exploration and mentorship.
Champions for Biotechnology Education Awards Gala	October	An annual celebration that honors an organization, an educator, a public advocate, and a school for their commitment to fostering science literacy and advancing life sciences education. The annual fundraiser brings together influential leaders in the industry to network and celebrate the awardees accomplishments.
Life Sciences College To Career Events	Year Round	College students have the opportunity to learn about the range of careers in the industry, engage with professionals, and learn about specific job opportunities.
Career Hub Workshops	Year Round	Workshop series aimed to demystify the challenges of entering the life sciences industry in both scientific and non-scientific roles.

Sponsorship 2024 | Benefit Descriptions

Guest Blog

Write a 500 word blog post to be featured on MassBioEd's website.

MassBioEd Community Calendar

Showcase corporate event announcements, milestones, and networking opportunities of MassBioEd and sponsored partners. Corporate sponsors also have the opportunity to have their logo displayed. This calendar is broadcasted at the beginning of each month, reaching over 7,000+ subscribers.

Sponsored Social Media Post

A social media post crafted to highlight corporate sponsors contributions to advance the life sciences industry. Post is shared to all three of MassBioEd's social media accounts.

Brand Recognition on Program Website

Corporate sponsor's name, logo, and link will be shared on the program specific's website.

Specialty Recognition

Corporate logo on specific signage including Award, Beverage, Dessert, Discussion, Entertainment (music, photo area), Exhibit Hall, Lunch, and Networking.

Exhibitor Booth at Life Sciences Workforce Conference

Standard 6' table and 2 chairs.
