As MassBioEd's largest fundraiser, all proceeds directly support advancing authentic science and career exploration for students in high-need school districts and training diverse and underserved individuals for life sciences careers. Your support is invaluable to the success and growth of our education and workforce development programs that are provided at no cost to students, teachers, and schools.

ALL SPONSORS WILL RECEIVE:

- Company logo on website
- Logo on program and general event signage
- Recognition in the press release and annual report
- Recognition in social media sponsorship highlight post
