Register for MassBioEd's Virtual Comedy Show 2020!
September 17th, 2020 at 3:30 PM

MassBioEd's 2020 Comedy Classic will offer a free, fun way to kick back, relax, and enjoy live entertainment by local New England talents. Renowned comedian, **Jimmy Tingle**, and rising star, **Corey Rodrigues**, will perform stand-up catered for the life sciences audience and provide much needed comedic relief during a stressful time.

You're invited to donate to support MassBioEd's work helping teachers in high-need school districts prepare for the academic year during the pandemic. All proceeds from donations go directly to support MassBioEd's mission to build and sustain a strong, diverse workforce in the life sciences. [Learn more and register here.](#)

MassBioEd is committed to reaching a goal of \$25,000 for our education and workforce development programs by the end of September.

How to contribute:

- **Make a donation online.**
- Text the word "**massbioed**" to the number **243725**.

Your gift will help MassBioEd deliver training to over 200 teachers and engage over 15,000 students in hands-on labs and career exploration events in the upcoming 2020-2021 school year.

The pandemic has highlighted the critical importance of the life sciences.

As we continue to develop and integrate on-line programs for teachers, students and schools, the need to educate the next generation of scientists, promote career opportunities within the industry to under-served communities, and bring in new skilled workers is more important than ever.

We are committed to meeting this challenge and hope you will join us.
